

The pain in Spain ...

Spain was pattering along towards its civil war until suddenly things heated up:

Summer 1937 (putting Spain on the brink):

Italian police train Spanish Falangists.
Spain: 1

Fall 1937 (triggering a civil war):

Russian agents train Spanish communists.
Spain: 1

Winter 1937 (just to make sure):

French relief drive provides aid to Spanish Republicans.
Spain: 1

Russia subsidizes International Brigades.
